Important Notice

Fraud and Falsification

Lehigh Heavy Forge Corporation performs work under contracts, which are within the jurisdiction of departments or agencies of the United States Government. Some of the work performed under these contracts affects the national security of the United States. The requirements of the contracts are designed to insure that:

- (1) essential attributes of the work are carefully checked or inspected and
- (2) that records accurately reflect the results of all work.

Any falsification, concealment, or alteration of any material fact, or any false, fraudulent or fictitious statement or mis-representation in connection with the work under any contract within the jurisdiction of the Government is prohibited by company policy. Such acts of fraud or falsification may also be punishable under Federal Law.
